

2025-2026 NNPS KINDERGARTEN REGISTRATION

Pre-register today to help our schools and teachers make each student's first day pleasant and productive.

Registration with NNPS is as easy as 1, 2, 3!

1

Gather your Documents

You will need a certified copy of your child's birth certificate, proof of legal residency, a comprehensive physical examination and immunization records (see other side for immunization information).

2

Pre-Register your Child Online

Visit nnschools.org to start the Online Pre-registration process (students who were enrolled in a NNPS Pre-K program for the 2024-2025 school year, are automatically registered for kindergarten for the 2025-2026 school year).

3

Visit your Child's School

Your child's school will contact you by phone or email once your information has been reviewed. You must visit the school in person to provide your proof of identification and any additional information your child's school may require to finalize registration.

Parents/Guardians NEW to the school district without an existing Parent Portal (ParentVUE) account will need to create one online before registering their student.

Questions? Call 757-283-7850 ext. 10112

Immunizations

All students entering a Virginia public school must have proof of the required immunizations. Kindergartners must have immunizations verified on a Virginia Form MCH-213G, a public health department form, or an immunization document from a qualified licensed physician or licensed nurse practitioner.

Immunization Sites

With Insurance
